Office Memorandum • UNITED STATES GOVERNMENTTO : Classification and Wage Division
FI/Admin

DATE: 22 March 1954

FROM : FI/STD

SUBJECT: Reclassification of Position No. BV-277

1. It is requested that Position No. BV-277, Intelligence Officer, presently occupied by [REDACTED] be upgraded from GS-9 to GS-11.

25X1A9a

2. The occupant of this position is charged with a specialized type of support of CIA operations against an [REDACTED] to the United States. He also has a research and analysis mission concerning this same government, which, by special arrangement, is designed to serve not only this but also other government agencies. Hence, in terms of both short-range and long-range interests, the security of the United States will be affected by the capability and performance of the occupant of this position.

25X1C10b

3. A further indication of the importance attached to this mission is the fact that a junior analyst has been assigned to assist the occupant of this position.
